

[Case Study]

Dan Medical, Inverness

Electrocardiology expertise for medical equipment developer...

Through **UHI HI Links**, *Dan Medical Ltd* were able to identify and access the expertise they were looking for to drive their business forward. Having signed a licensing agreement with the Faculty of Medicine at the University of Glasgow, *Dan Medical Ltd*, a computer based medical equipment developer in Inverness, has been able to bring a product to market that uses cutting edge diagnostic software developed by senior academics.

"It has been fantastic for us. As a result of our links with HI Links and subsequently working with the University of Glasgow we have tapped into research that has proved truly invaluable to the business."

Ian Drysdale, Managing Director Dan Medical Ltd
